## Northwest Office Hours Resume June 2nd

**Northwest Office Hours** resume next **Tuesday June 2nd** at **10:30AM** in my **Zoom Room**: click the link below to log in. Because of an extended Memorial Weekend for me, I bumped over this week, but I hope to see many of you back again next Tuesday.

One thing we'll talk about is a new schedule for **NW Office Hours** going forward. That, plus a look at how things are going at your libraries, now that some of you are welcoming people back into the building, even in a limited fashion.

As always, thanks to all who have participated in these conversations in the past two months. Our gatherings at Northwest have averaged 25 people each time, proving this is fulfilling a need. The format is set up as a casual conversation. There is no C.E. credit for office hours because this is really a chance to stay connected, share experiences, and assist each other with questions.

Special thanks to everyone using microphones, web cams are adding a nicely personal touch, too! Come as you are, wherever you are--grab a donut !
